

Green Mountain Adaptive Sports - January 2026 News

Greetings!

2025 has been an incredible year for GMAS, and we're thrilled to share some exciting updates and the latest news from our community.

Thanks to the continued support of our generous supporters, GMAS has experienced meaningful growth while remaining focused on long-term stability that will carry us well into the future.

In 2025, we proudly launched three new programs, bringing our total to **nine active programs**. Participation has increased across the board, and we've expanded into new locations—making adaptive programming more accessible than ever. We've also continued to strengthen partnerships with fellow adaptive sport organizations and local sport facilities, while **providing grants** to help coaches advance their accreditations and better serve our community.

A heartfelt thank you to everyone who has made this journey possible. Your enthusiasm, belief, and dedication fuel our mission every day. Let's make 2026 a spectacular year and show the world the true power of community.

2025 Year in Review

Stowe Monoski Camp a Great Success

Collaboration and partnership took center stage at the 14th annual Stowe Monoski Camp at Stowe Mountain Resort on January 11. Under blue skies and pristine snow conditions, twenty-seven monoskiers traveled from near and far to come together for a day defined by shared passion, progression, and community. The collaborative spirit on and off the slopes made for an unforgettable event, showcasing the power of connection in adaptive skiing.

Stowe TetraSki and Snow'Kart Program Brings Joy all Around

With incredible ski conditions kicking off the season, the Stowe TetraSki and SnowKart Program is off to an amazing start—and we couldn't be prouder of everything accomplished to make it possible. Now operating four days a week at Stowe Mountain Resort, the program continues to open doors to unforgettable on-snow experiences. Reach out to join the waitlist and secure a lesson this winter.

Cross Country Skiing Provides Unique Opportunities - Sign up for Lessons

The flexibility and adaptability of the GMAS Nordic Program have been a tremendous benefit for busy families. Cross-country skiing offers an ideal way to stay physically active during the colder months while building confidence, fostering social connections, and developing skills—all under the guidance of trained coaches. Adaptive and standard equipment is provided at no cost to all participants and their families, ensuring access for everyone.

Tom Hall is Set to Break his Record of Most Vertical Feet Skied in One Day

Stowe Lead Adaptive Ski Instructor Tom Hall is once again skiing his heart out in his annual Vertical Challenge to raise funds for GMAS. This year, Tom will take on the challenge at Stowe Mountain Resort on Monday, March 16, with all funds raised supporting instructor trainings and the TetraSki Program. Join him for a run or two on the mountain—or support his efforts by making an online tax-deductible donation to his campaign.

Stowe aMTB Camp is Aug 21-23

Save the date for our annual Adaptive Mountain Bike Camp! This year, we're planning two days of trail riding, including Cady Hill Forest in Stowe and a second nearby location (to be announced). Adaptive programs—along with their athletes, coaches, and volunteers—are invited to join us for this collaborative event that's always an absolute blast. Registration opens in May. Reach out to **Pascale** to get involved, and sponsors are welcome!

Just Hands Teams Up with GMAS

Ever dream of driving a real race car—with hand controls—on a real racetrack? Thanks to a tentative partnership between **Just Hands Foundation** and Green Mountain Adaptive Sports, this incredible opportunity could become a reality in spring 2026! We're gauging interest for this one-of-a-kind experience, set to take place at Lime Rock Park in Lakeville, CT on a weekday. Interested drivers must hold a valid driver's license, have two or more years of experience

driving with hand controls, be over 5'2", and meet a few additional criteria. If this sounds like your dream come true, **let us know!**

Share Your Best Photos and Stories!

GMAS athletes and families, we want to see you in action, and we want to hear how you are doing! Send us your best shots, and let us know if you have a story to tell! Photos and stories will share on social media, and possibly in blogs and newsletters too.

It's ALWAYS a good time to Donate!

Supporting an adaptive organization like GMAS isn't just a donation—it's a gift of possibility, confidence, and connection. Every dollar helps athletes of all abilities experience the joy of movement, the thrill of the slopes, trails, and tracks, and the camaraderie of a community that celebrates what they can do. By giving, you're not only empowering athletes to push boundaries and discover new passions—you're also lighting up smiles, creating memories, and strengthening a network of support that transforms lives. There's no better feeling than knowing your generosity directly fuels courage, growth, and the pure joy of inclusion.
