

## Skiing for Impact: GMAS Vertical Challenge

Stowe Ski Instructor Tom Hall and a few brave supporters skied an incredible **118,966 vertical feet** for the **GMAS Vertical Challenge fundraiser!** 🏂

Despite less-than-ideal conditions—icy, slushy slopes, low visibility, high winds, and only the Sunrise Six lift running—the group pushed through with determination to reach their goal of raising \$20,000 in support of the TetraSki Program and instructor training.

### Final tally

Tom Hall – 49 runs (59,486 ft)  
Dave Neubardt – 36 runs (43,704 ft)  
Anya Beale – 8 runs (9,712 ft)  
Skizzi Huffman – 4 runs (4,856 ft)  
Brent Hazzard – 2 runs (2,828 ft)  
Cynthia Needham – 1 run (1,214 ft)
